

**Introduction to Sandplay Therapy with Leslie Johannes, MEd, LMFT, CST
Featuring: Janet Tatum, MSW, LICSW, CST-T, Jungian Analyst,
presenting a child's Sandplay case, with Leslie Johannes responding**

Please join us for a day with Dora Kalf's Sandplay Therapy, a Jungian oriented therapy for both children and adults. You will learn the history and origins of Sandplay, Dora Kalf's gifted ways of working with children as well as adults, and how Sandplay can be used to great effect in your work with adults, children and families, including (but not be limited to):

- ❖ Kalfian theory and how it differs from other uses of sand trays and figures
- ❖ Basic tenets of Jung's Analytical Psychology
- ❖ How to get started – trays, sand and figures; how to introduce clients to Sandplay; and how to determine the needed focus of treatment from an initial tray
- ❖ Ways to "read" the symbolic language of sand scenes along with the importance of symbols, including those in myths, fairy tales, cultural traditions and religion
- ❖ Stages and themes in a Sandplay process as seen in case material
